

DR NONTU MEDICAL PRACTICE

Website Content & Structure — Final

Every patient. Expertly cared for.

A laugh when you need one.
Answers when you need them.
Hope on difficult days.

Meet Dr Nontu — a warm, kind and compassionate doctor who believes that every patient matters.

Because sometimes you don't just need a doctor to treat what's wrong. You need someone who listens. Someone who reassures you. Someone who makes you feel that you're going to be okay.

At **Dr Nontu Medical Practice**, you'll be treated with kindness, dignity and genuine care — from the moment you walk through the door.

Come as a patient. Leave feeling cared for.

Dr Nontuthuko Ndlovu
MBChB (UP) · BCMP (WSU) · DipPEC (CMSA)
General Practitioner | Primary & Emergency Care

1. ABOUT THE PRACTICE

Healthcare that feels personal.

We believe good healthcare starts with listening. We provide comprehensive primary healthcare with a focus on prevention, early intervention and personalised treatment — in a warm, welcoming environment where every patient is treated as an individual.

2. OUR SERVICES

In-Person Consultations	Comprehensive medical assessment, diagnosis and treatment in a comfortable, private setting.
House Calls	Quality medical care in the comfort of your home.
Virtual Consultations	Convenient medical care from wherever you are.
Preventative Healthcare	Health assessments, screening and guidance to help you stay well.
Chronic Care	Ongoing management and monitoring of chronic conditions.
Women's Health	Compassionate healthcare tailored to women's needs.
Family & Children's Healthcare	Care for the whole family, including children.
Minor Procedures & Wound Care	Appropriate minor procedures, wound care and in-practice interventions.
Wellness & Health Guidance	Practical support for your overall health and wellbeing.
Referrals	When specialist care is needed, we'll help guide you to the right service.

3. WHY DR NONTU?

Personalised Care

We take the time to understand you — not just your symptoms.

Professional Expertise

Evidence-based medical care grounded in clinical knowledge and experience.

Convenient Healthcare

Flexible options including in-person, virtual and house-call consultations.

A Welcoming Environment

Healthcare that feels comfortable, respectful and human.

4. BOOK AN APPOINTMENT

How would you like to consult?

IN-PERSON — Visit Dr Nontu Medical Practice for a private, face-to-face consultation.

HOUSE CALL — Receive professional medical care in the comfort of your home.

VIRTUAL — Consult remotely from wherever you are.

Booking flow: Consultation type → Location (where applicable) → Date → Time → Patient details → Reason for visit → Confirmation.

Manage your appointment: Patients should be able to **reschedule or cancel an appointment** easily through the booking system or by contacting the practice via WhatsApp/phone.

5. OPENING HOURS

11. FAQ

- Do I need an appointment?
- Do you accept walk-ins?
- What medical aids do you accept?
- How much is a consultation?
- Do you offer house calls?
- Where do you provide house calls?
- Do you offer virtual consultations?
- What minor surgical procedures do you perform?
- Do you treat children?
- What should I bring to my appointment?
- How do I cancel an appointment?
- How do I reschedule an appointment?
- What payment methods do you accept?

12. BRANDING & DESIGN

Premium · Warm · Modern · Medical · Calm · Human

Colours: warm white, olive and brown/earth tones.

Avoid the typical bright-blue medical aesthetic. Use white space, elegant typography, clean sections, authentic photography, subtle olive/brown accents and a mobile-first design.

13. PHOTOGRAPHY & BRAND ASSETS

Doctor: professional headshot and clinical/professional photographs.

Practice: exterior, reception, waiting area, consultation rooms, wellness area, interiors and equipment.

Branding: main logo, logo variations and high-resolution files.

14. SOCIAL MEDIA

Instagram: [handle]

Facebook: [handle]

TikTok: [handle, if applicable]

WhatsApp: [number]
